Name of the Project *

Aim for a short, unambiguous, and memorable title for your project/team. Your project name should reflect what makes your project unique.

Yes Chef

One paragraph description of the project *

You should write an high-level summary of your project. It must be very-well written and checked many times. Avoid going deep into details or background of the problem you volunteer to solve. Remember the elevator speech and pitching concept, use it.

YesChef is an app designed to help its users organize their cooking habits. Our project involves developing a gamified cooking app that allows users to share their favorite recipes, help them manage their ingredients and get personalized recipe recommendations based on their available ingredients and preferences . In summary, our app aims to turn the process of cooking food into a fun and easy process, making it easier for everyone to enjoy homemade meals.
