

Yes Chef! Dev LogBook

September 2024

15th September - Entire Group

- Discussed possible ideas for a final project.
 - Potential ideas were:
 - "Yes Chef!"
 - An unnamed project with an idea of helping earthquake victims.
 - An unnamed project with an idea of automatically determining price for second hand goods based on market price from several popular sites.

17th September - Entire Group

- Finalized our decision on "Yes Chef!"
- Messaged several professors for a supervisor position on our project.
- Professors contacted were:
 - Uğur Doğrusöz
 - Özgür Ulusoy
 - İbrahim Körpeoğlu

19th September - Mert Emre Yamalı, Mert Terkuran, İsmail Barış Sunar

- Discussed our project plans with Uğur Doğrusöz, got feedback and an overview of how the semester would go with him as our supervisor.

20th September - Mert Emre Yamalı, Mert Terkuran

- Discussed our project plans with Özgür Ulusoy and İbrahim Körpeoğlu, got feedback and an overview of how the semester would go with him as our supervisor.
- The group unanimously decided on Uğur Doğrusöz as the supervisor for the project.

23rd September - Mert Terkuran

- Opened a Google Groups account, gave more detail about our project to Uğur Doğrusöz.

26th September - Mert Emre Yamalı

- Created and hosted the project website.
